6 Tips for Online Student Success

Did you know NAU has been offering online classes since the days of dial-up? In fact, more than 40% of NAU students enroll in at least one online class each semester. That's why we've compiled this list of tips to help you succeed in your online classes.

1. ACCESS YOUR CLASSES ANYWHERE VIA BBLEARN

Starting on your first day of class, use your NAU username (abc123) and password to log in to **BbLearn.nau.edu**. Complete your online classes anytime, anywhere.

2. GET THE RIGHT TEXTBOOKS

Log in to **my.nau.edu**, select your current class schedule and click "Buy Books". You'll receive a list of all required materials. Go to **nau.edu/bookstore** for assistance.

3. DON'T FORGET ABOUT TECH SUPPORT

The Student Technology Center offers 24/7 support. Computer labs and Wi-Fi are available at many NAU campuses across the state. Visit **nau.edu/stc** for details.

4. ACCESS THE LIBRARY ANYTIME

NAU Cline Library offers comprehensive online academic resources at **nau.edu/library**. Library Specialists are available to help with your research.

5. RECEIVE A REDUCED TUITION RATE

Out-of-state students may qualify for the reduced World Wide University (WWU) tuition if taking all online courses. Go to **nau.edu/extended** for details.

6. THERE'S AN APP FOR THAT

Access your classes, the latest NAU news, LOUIE, BbLearn and more on your smartphone or tablet with the NAU Mobile app. Download it free from Apple's App Store or Google Play, or go to **m.nau.edu**.
